

Elima Peneli of Association has won the Canterbury Intermediate Snooker held on Sunday at the Association rooms with a 3-1 win over Les Mitchell of Richmond in the best of 5 final.

A field of 20 contested the event which ended in the dark hours of late evening.

Many high breaks over 35 were had but Peneli also took the high break with a 55 during section play, with the white travelling through the spread reds to end what had the potential to be converted into a possible century break.
